

Adios Amigos

Mindless Self Indulgence

Anti-drugsters be sucking up to homies acting belligerent
Shootout over tickets for me
Injure to the fuckups
Porno-ography makes me go hyper
From internet to peepshow
I will never find our freakin' diapers
Let's go to the mall
Pick up some kids
Spread some diseases
'Cause I got the balls
All of them knew..
Most people with nuts
Don't know how to squeeze them
I hate metal, I know better
I take chances, I know better
I lose money, I know better
I'm so screwed 'cause I'm no better
Adios amigos, no estas usted
Adios amigos, no es bueno
Don't they Don't they teach you sucka
Your pants on fire
I'm a little bit more perfect than you ever will
Never retire
But you sample every music
Then you added nothing, nothing to it
(now I do it too)
And now we all will have to suffer through it
Let's go to the mall
Pick up some kids
Spread some diseases
'Cause I got the balls

All of them knew..
Most people with nuts
Don't know how to squeeze them
I hate metal, I know better
I take chances, I know better
I lose money, I know better
I'm so screwed 'cause I'm no better

Adios amigos, no estas usted
Adios amigos, no es bueno
Don't call me Daddy
Don't call me Daddy
Let's go the mall
Pick up some kids
Spread some diseases
'Cause I got the balls
All of them knew..
Most people with nuts
Don't know how to squeeze them
I hate metal, I know better
I take chances, I know better
I lose money, I know better
I'm so screwed 'cause...
Don't call me Daddy
Don't call me Daddy
Adios amigos, no estas usted
Adios amigos, no es bueno
