Love Someone

Lukas Graham

There are days
I wake up and I pinch myself
You're with me, not someone else
And I am scared, yeah, I'm still scared
That it's all a dream'Cause you still look perfect as days go by
Even the worst ones, you make me smile
I'd stop the world if it gave us time'Cause when you love someone
You open up your heart
When you love someone
You may grow
If you love someone
And you're not afraid to lose 'em
You'll probably never love someone like I do
You'll probably never love someone like I do
When you say
You love the way I make you feel
Everything becomes so real
Don't be scared, no, don't be scared
'Cause you're all I needAnd you still look perfect as days go by
Even the worst ones, you make me smile
I'd stop the world if it gave us time'Cause when you love someone
You open up your heart
When you love someone
You may grow
If you love someone
And you're not afraid to lose 'em
You'll probably never love someone like I do
You'll probably never love someone like I do
All my life
I thought it'd be hard to find
The one 'til I found you
And I find it bittersweet
'Cause you gave me something to loseBut when you love someone
You open up your heart
When you love someone
You may grow
If you love someone
And you're not afraid to lose 'em
You'll probably never love someone like I do

You'll probably never love someone like I do
You'll probably never love someone like I do
