

I Love to Love (Brixton Remix) [feat. Traumton]

[Tina Charles](#)

Oh I love to love
But my baby just loves to dance
He wants to dance, He loves to dance, He's got to dance
Oh I love to love
But my baby just loves to dance
Oh I love to love
But there's no time for our romance
No no no oh I love to love
But my baby just loves to dance The minute the band begins to swing it
He's on his feet to dig it
And dance the night away
Stop I'm spinning like a top
We'll dance until we drop
But if I had my way Oh I love to love
But my baby just loves to dance
He wants to dance, He loves to dance, He's got to dance
Oh I love to love
But my baby just loves to dance
Oh I love to love
But he can give our love a chance
No no no oh Oh I love to love
But my baby just loves to dance Stop I'm spinning like a top
We'll dance until we drop
But if I had my way
Sundown instead of going downtown
We'll stay at home and get down
To what I'm tryin' to say I love to love
But my baby just loves to dance yes he does
I love to love
But my baby just loves to dance, yes he does
I love to love
But my baby just loves to dance yes he does
I love to love
But my baby just loves to dance yes he does
I love to love
But my baby just loves to dance yes he does
