

No Better Place

[Steven Curtis Chapman](#)

I was eight years old when I decided to follow Jesus
I started down that road
Somebody told me that this path that leads to heaven
Will not be the easy way
Well I found that to be true
But I also found, I found out there's [Chorus]
No better place on earth than the road that leads to heaven
No other place I'd rather be
No better place on earth than the road that leads to heaven
No better place to be Well I know this road has a final destination
But I also know that if we're only looking for the prize that's waiting
We'll miss so much along the way
Cause Jesus came to give us life in the here and now
And to show us that there's [Chorus] I know this path we travel on
Is very straight and narrow
But I've looked down other roads along the way
And from all I've seen I can say without a doubt there's [Chorus]
