

Fools Rush In

Daryl Hall

Just why do I want you, baby?
Anyone but a fool would let it be
Go on, anywhere you take me
I dont want to know whats pulling me If I fall so deep with my eyes so wide
But then I hope that feeling isnt only mine Fools rush in where the wise dont go
Fools rush in and Im a fool for love, baby
Fools rush in but the wise dont know
Fools rush in, rush in, rush in, rush in Safe advice, I cant let it stop me
Love dont wanna know the reason why And if we fall so deep with our eyes so wide
But then I know the feeling isnt only mine Fools rush in where the wise dont go
Fools rush in and Im a fool for love, love
Fools rush in but the wise dont know
Fools rush in, rush in, rush in, rush in And if we fall so deep with our eyes so wide
But then I know the feeling isnt only mine Fools rush in where the wise dont go
Fools rush in, yeah, yeah Fools rush in where the wise dont go
Fools rush in and Im a fool for love, baby
Fools rush in but the wise dont know
Fools rush in, rush in, rush in, rush in, rush in Oh, and Im a fool for love, baby
Rush in, rush in, rush in
