# Jessica

## Burning Jet Black

Jessica, this shit's a mess
It's probably best if we just say nothing
I can't explain, I just give up
I'm still thirsty and I just keep filling my cup
It's never enoughI don't need anything
I don't need anything
I don't need anythingI'm not sure this is going anywhere
Point blank, you want the honest truth
And I've tried but the game's not paying off
How far until you come back home?
Around and round you go
I don't want anything
I don't want anything
I don't want anythingJust give me everything
Just give me everything
Just give me everything
Just give me everything
Just give me everything
Just give, just give, just giveGo on...
