

Bury This

[Sarah Blasko](#)

Come down to the ocean
Come down and I'll baptise you
To the ocean once more Come lay down in the soil of youth
Come lay down where you and I were born
In the soil of youth I'll bury you
I'll bury you once more Come now to a foreign land
Come now, we'll start again
In a foreign land we'll start again
We'll start again once more
