Kick Out the Epic Motherf**ker

[Dada Life](#)

Emergency call this is our code red

Put your hands up high put 'em in the air

'Cause you know what we do and we do it well

In a world full of lies we live to tell (tell, tell, tell, tell)For all the years that

You've been feeding us all that trash

You wasted time

Kick out the epic motherfuckerKick out the epic motherfucker

Kick out the epic motherfuckerEmergency call this is our code red

Put your hands up high put 'em in the air

You know what we do and we do it well

In a world full of lies we live to tell (tell, tell)Kick out the epic motherfuckerEmergency call this is our code red

Put your hands up high put 'em in the air

'Cause you know what we do and we do it well

In a world full of lies we live to tell (tell, tell)Kick out the epic motherfuckerFor all the years that

You've been feeding us all that trash

You wasted timeKick out the epic motherfucker

Kick out the epic motherfucker

Kick out the epic motherfucker
