# Capital H

## Motion City Soundtrack

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my superman action
And I'm off to save the world
Silly me I left a message with no return number
For my boys in blue in case of an emergency
In case the shit goes down, yeah
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my superman action
And I'm off to save the world
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me
I'll be back tomorrow
I'll be back at a quarter to 11
I'm half drunk and I can't see straight
A hero zero with a capital Z
Singing songs from the balcony as the city crumbles
Under the powers of an evil doctor rocket science monster with Capabilities to destroy the entire universe
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my superman action
And I'm off to save the world
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my superman action
And I'm off to save the world
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me
I'll be back tomorrow
I'll be back in the ballroom swingin'

I'll be back with my superman action
And I'm off to save the world
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me
