

# When the Dawn Breaks (Instrumental)

## Narcotic Thrust

Moonlight's kissing on a violet shore  
Dreaming in the color of the dress you wore  
I wake up harmed and wanting more about you  
(About you)I don't wanna feel love  
I dont wanna feel naked  
I dont wanna feel love  
Without youWhen the dawn breaks  
I can feel the heat of your sun rising  
Rising up inside me  
I can feel the waves of your heart rushingRushing over me  
Rushing over me  
Rushing over meWhen the dawn breaks  
I can feel the heat of your sun rising  
Rising up inside me  
I can feel the waves of your heart rushingWhen the dawn breaks  
I can feel the heat of your sun rising  
Rising up inside me  
I can feel the crash of your heart breakingThe figures stop moving and the subway dies  
The clock stops ticking and the traffic sighs  
I cant keep living these strange goodbyes  
I need you  
(I need you)I dont wanna feel love  
I dont wanna feel naked  
I dont wanna feel love  
Without youWhen the dawn breaks  
I can feel the heat of your sun rising  
Rising up inside me  
I can feel the crash of your heart breakingWhen the dawn breaks  
I can feel the heat of your sun rising  
Rising up inside me  
I can feel the waves of your heart rushingRushing over me  
Rushing over me  
Rushing over meWhen the dawn breaks  
When the dawn breaksWhen the dawn breaks  
I can feel the heat of your sun rising  
Rising up inside me  
I can feel the crash of your heart breakingWhen the dawn breaks

I can feel the heat of your sun rising  
Rising up inside me  
I can feel the waves of your heart rushingRushing over me  
Rushing over me  
Rushing over me  
Rushing over meRushing over me  
Rushing over me  
Rushing over me
