

# Fades Like A Photograph

## Filter

Have you ever seen the stars at night and wondered, "Why so bright?"  
Have you ever seen the sunset on a cloudy night and wondered, "Why tonight?"  
And maybe there's just one time with you I want to remember for eternity.

(For eternity.)

Photographs taken, like memories of you, they disappear.  
Colors of your eyes, they fade with time; they just can't stay clear.  
Fades like a photograph...  
Just want to bring you back.

Have you ever seen the bottom of the ocean from a plane? What a sight.  
Have you ever seen a sunrise in the snow cap mountains? The twilight.  
And maybe there's just one time with you I want to remember for eternity.

(For eternity)

Photographs taken, like memories of you, they disappear.  
Colors of your eyes, they fade with time; they just can't stay clear.  
Photographs taken, like memories of you, they disappear.  
Colors of your eyes, they fade with time; they just can't stay clear.  
Fades like a photograph...  
Just want to bring you back.
