Heartland

Willie Nelson

There's a home place under fire Tonight in the heartland And the bankers are taking my home And my land from meThere's a big achin' hole in my chest Now, where my heart was And a hole in the sky Where God used to be There's a home place under fire Tonight in the heartland There's a well where the water's so bitter Nobody can drinkAin't no way to get high and my mouth Is so dry that I can't speak Don't they know that I'm dyin' Why's nobody cryin' for me?My American dream Fell apart at the seams You tell me what it means You tell me what it means There's a home place under fire Tonight in the heartland And bankers are taking the homes And the land awayThere's a young boy closin' his eyes Tonight in the heartland Who will wake up a man with some land And a loan he can't payHis American dream Fell apart at the seams You tell me what it means You tell me what it means My American dream Fell apart at the seams You tell me what it means You tell me what it meansThere's a home place under fire Tonight in the heartland There's a home place under fire Tonight in the heartlandThere's a home place under fire Tonight in the heartland There's a home place under fire
