

Bring On the Dancing Horses

Echo & The Bunnymen

Jimmy Brown, made of stone
Charlie clown, no way home
Bring on the dancing horses
Headless and all alone
Shiver and say the words
Of every lie you've heard First I'm gonna make it
Then I'm gonna break it
Till it falls apart
Hating all the faking
And shaking while I'm breaking
Your brittle heart Billy stands all alone
Sinking sand, skin and bone
Bring on the dancing horses
Wherever they may roam
Shiver and say the words
Of every lie you've heard First I'm gonna make it
Then I'm gonna break it
Till it falls apart
Hating all the faking
And shaking while I'm breaking
Your brittle heart Brittle heart, brittle heart
Brittle heart and my little heart goes Jimmy Brown, made of stone
Charlie Clown, no way home
Bring on the headless horses
Wherever they may roam
Shiver and say the words
Of every lie you've heard First I'm gonna make it
Then I'm gonna break it
Till it falls apart
Hating all the faking
And shaking while you're breaking
My brittle heart Brittle heart, brittle heart
And our little heart goes Bring on the new Messiah
Wherever he may roam
Bring on the new Messiah
Wherever he may roam Bring on the new Messiah
Wherever he may roam
Bring on the new Messiah
Wherever he may roam
