Deep In Love (DJ Nejtrino & DJ Baur Klubb Mix)

Tom Boxer

(Let's go)
You would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far awayThere's nothing in the world,
that can take me from my girl
I got her heart screaming OooOoooI could be falling for lust
But that ain't good enough
Baby I'm falling for love
I'm falling in love(Let's go ..)Morena, talk to me..I'm from Venus, you're from Mars
When together, we create stars
Falling down from Earth
Falling down from Earth
Oooo Ooo OoooI'm from Venus, you're from Mars
When together, we create stars
Falling down from Earth
Falling down from Earth
Oooo Ooo Oooo(Let's go ..)You would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far awayYou would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far away..J. Warner

Morena(Let's go..)There's nothing in the world,
that can take me from my girl
I got her heart screaming OooOoooI could be falling for lust
But that ain't good enough
Baby I'm falling for love
I'm falling in loveFrom UK to LA
Theres so many beautiful places
Heart filled with beautiful faces
But only one stands out
Even though shes a little bit crazy
I love the challenge ladyI said I ain't got a lamborghini
But a couple of bottles of Martini
She wants to see the whole world..
I can't afford it, the whole world..

I love the sound of euro
I heard it caught enormous
I wanna buy you na' na' night.
Get better and store a la' la' lot
So when the crew go cla' cla' clap.
Hey baby what's up?You would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far awayYou would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far away..
(Morena!)
You would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far awayYou would make me fall into love
Deep in love, far away
You would make me fall into love
Deep in love, far away..
