

Who You Think I Am

James LaBrie

[Guillory/LaBrie] You think that I'm losing my mind

You think that I'm hopelessly blind

You Think that I'm weak but I'm strong

You think that I'm down but your wrong You don't

Have a clue

Do you? Nothing you say

Nothing you do

Matters to me

It's really nothing new

So laugh all you want

Cause I don't give a damn

I'm not, I'm not who you think I am You think that I'm just a disgrace

You think that I'm just wasted space

You think that I'm dumb

Well nice try.

You think that I'm lost, its a lie You don't

Have a clue

Do you? Nothing you say

Nothing you do

Matters to me

It's really nothing new

So laugh all you want

Cause I don't give a damn

I'm not, I'm not who you think I am You don't know the first thing

You don't know the first thing

No.

You don't know the first thing

You don't know the first thing about me Nothing you say

Nothing you do

Matters to me

It's really nothing new

So laugh all you want

Cause I don't give a damn

I'm not, I'm not who you think I am Nothing you say

Nothing you do

Matters to me

It's really nothing new

So laugh all you want

Cause I don't give a damn

I'm not, I'm not who you think I am Who you think I am
I don't give a damn
Who you think I am
I don't give a damn
