What I Know (feat. Maki Flow)

J.O.D. & Meid

Day Has Passed Like a Hurricane
Hurricane
To My Heart, To You Far Away
Far Away
See The Light on The Other Side
I'm Going To Get There,
I Hope We Will Meet There
And Now I'm Running Back
To What I Know
What I Know, What I Know
I'm Running Back To What I Know
What I Know, What I Know
I'm Running Back To What I Know
I'm Running Baby
Running Back To What I Know
Here I Am Lost In My Mistakes My Mistakes
Falling Apart See There's No Escape No Escape
Feel The Fire Can You Hear Me Crying
I'm Going To Get There
I Hope We Will Meet There
And Now I'm Running Back To What I Know
Running Back To What I Know
I'm Running Baby
Running Back To What I Know
Raise Your Hand Let Me Get There
I Want You Back I Need To Get There
Raise Your Hand Let Me Get There
I Want You Back
I Need To Get There
Need To Get Need To Get
I Need To Get There
