It's Beginning To Look A Lot Like Christmas

Perry Como

It's beginning to look a lot like Christmas
Everywhere you go
Take a look in the five-and-ten
Glistening once again
With candy canes and silver lanes aglowIt's beginning to look a lot like Christmas
Toys in ev'ry store
But the prettiest sight to see
Is the holly that will be
On your own front doorA pair of hopalong boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen
And mom and dad can hardly wait for school to start againIt's beginning to look a lot like Christmas
Everywhere you go
Now there's a tree in the Grand Hotel
On in the park as well
The sturdy kind that doesn't mind the snowIt's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring
Is the carol that you sing
Right within your heartA pair of hopalong boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen
And mom and dad can hardly wait for school to start again
Aah ah-ah, ah-ah, ah-ah, ah-ah, ah-ah, ah-ahIt's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring
Is the carol that you sing
Right within your heart
