

This Is The Way (Onda Del Futuro Extended Remix)

E-Type

This, this is the way
This is the way I want to live
I'm going through changes
This is the way I want to live From this day one no one going tell you
What I should do and what I should not
That ain't the way, the way that it shall be
Fight it all the way
So let them vultures prey on each other
Don't let them spoil it you've come this far
Coming out like a force of nature
This is the shape of things to come This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live
This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live Oh oh oh oh oh oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh oh oh oh So if you're feeling sort of down and out
Don't loose your faith, wipe away the doubt
You must take a stand that's what it is about
If nothing else works just shout
You're no Baloney Homo Sapiens
You're the original king of the hill again
Coming out like a force of nature
This is the shape of things to come This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live
This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live This, this is the way
This is the way I want to live
I'm going through changes
This is the way I want to live So if you're feeling sort of down and out
Don't loose your faith, wipe away the doubt
You must take a stand that's what it is about
If nothing else works just shout

You're no Baloney Homo Sapiens
You're the original king of the hill again
Coming out like a force of nature
This is the shape of things to come This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live
This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live This, this is the way
This is the way I want to live
I'm going through changes (coming up, coming up)
This is the way I want to live
