Advisory - the following lyrics contain explicit language:

Standing by the alter soaked in sweat
throwing myself into the unkown
Jesus leave's his crucifix and comes to life
that's when I know I'm not aloneBargain with the devil to achieve my goal
begging for another fix
she's the drug for me and I'll trade my soul
what the hell i've always been a part
of generation 666she's a goddess a princess of the night
down the aisle comes my own private witch
i'm a true believer in heaven and hell
she's to become my nekromancin' psycho bitchBargain with the devil to achieve my goal
begging for another fix
she's the drug for me and I'll trade my soul
what the hell i've always been a part
