On Track

Ian Brown

Can't erase or rearrange
Can't rewind, can't go back
Ya gotta get your life on trackNor pontificate, nor contemplate your fate
We're all walking in the dark
Just pray you're gonna get to heaven's gateJust as life is for living, so love is for givingLife's no simple situation
There's the added complication
That the reason that we're here
Nobody knows in all creationCan't erase or rearrange
Can't rewind, can't go back
Ya gotta get your life on trackNor pontificate, nor contemplate your fate
We're all walking in the dark
Just pray you're gonna get to heaven's gateJust as life is for living, so love is for givingLife's no simple situation
There's the added complication
That the reason that we're here
Nobody knows in all creationIf you don't give, you don't get
Didn't you learn that yet?
As you stand on your own Barbette
If you don't give, you don't getIf you don't give, you don't get
Didn't you learn that yet?
As you stand on your own Barbette
If you don't give, you don't getCan't erase or rearrange
Can't rewind, can't go back
Ya gotta get your life on trackNor pontificate, nor contemplate your fate
We're all walking in the dark
Just pray you're gonna get to heaven's gateYou lit a fuse, you can't return
You might get burned, you can't go back
You gotta get your life on trackRe activate, celebrate the day
Don't hesitate to step over
All the obstructions in your waySee that life is for living, so love is for givingLife's no simple situation
There's the added complication
That the reason that we're here
Nobody knows in all creationIf you don't give, you don't get
If you don't give, you don't get
If you don't give, you don't get
Didn't you learn that yet?
