Uncle Tupelo

INTRO:GVERSE 1:
G D
Sometimes I get upset when people treat me bad
C G
I don't have time to think and so I get real mad
C
And I pull my hair and find somewhere where I can be alone
D G
And when I do I think of you and head myself back homeCHORUS:
C D G
For I got chores to keep me busy, clock to keep my time
C G D
A pretty girl to love me, with the same last name as mine
C G
When the flowers wilt, a big old quilt to keep us warm
D G
And I got the sun to see your blue eyes, and tonight you're in my armsVERSE 2:
Sometimes I get unwound when fancy cars drive past
Money don't get me down, I can't make it last
And I bite my nails and if that fails I go get myself stoned
And when I do I think of you and head myself back homeCHORUSHARMONICA SOLO:
