

# Show Me Islands

## Wild Ones

On an airplane  
You got away with me  
So, show me islands  
A little place, where they can understand me  
I see Orion  
Like shining off surface of the ocean  
Out in the dead heat  
The way you move, there's somethin' up inside me  
Oooh oooh, what you wanna wait for  
Oooh oooh, what you wanna wait for  
Ooooh ooooh oooohhhh I know you got your reason  
Oooh oooh, what you wanna wait for  
Gonna take a ride  
In the 22  
Just after midnight  
Ooh like we used to  
Ohhh I got a demon  
You know the word but you don't know the meaning  
I follow street lights  
Over the edge, a fire flickers in my eyes  
Oooh oooh, what you wanna wait for  
Oooh oooh, what you wanna wait for  
Ooooh ooooh oooohhhh I know you got your reason  
Oooh oooh, what you wanna wait for
