

Bright Lights

30 Seconds To Mars

I've been dreaming of things yet to come
Living, learning, watching, burning
Eyes on the sun
I'm leaving, gone yesterday
Brutal, laughing, fighting, fucking
The price I had to pay
Bright lights, big city
She dreams of love
Brights lights, big city
He lives to run
Demon, where did my angel go
Vacant, vapid, stupid, perfect
You are the one

A new day, a new age, a new face, a new lay,
A new love, a new drug, a new me, a new you
Bright lights, big city
She dreams of love
Brights lights, big city
He lives to run
I forgive
Had enough
Time to live
Time to love
Time to live
Time to love
Time to live
Time to love
