Good Morning Beautiful

Jim Brickman

I hear the alarm go off at 6
Used to be I'd wanna call in sick
I always dreaded this time of day
But not anymore 'cause of you
Smiling you, perfect you
Good morning beautiful
I know it's gonna be a good morning beautiful
When you're waking up with me
It's gonna be a good morning beautiful
Lalalala, lalalala
Lalalala, lalalala
As I'm going through my day
Nothing can take this smile from face
Whether sunshine whether the rain
I can weather any weather with you
Smiling you, perfect you babe
Good morning beautiful
I know it's gonna be a good morning beautiful
When you're waking up with me
It's gonna be a good morning beautiful
This feeling
Like I'm dreaming
It's a dream come true
When I wake up with you
Lalalala, lalalala
Lalalala, lalalala
Sometimes this world is such a crazy place
But all I need is just to see your face
Whether sunshine whether the rain
I can weather any weather with you
Smiling you, perfect you babe
Good morning beautiful
I know it's gonna be a good morning beautiful
When you're waking up with me
It's gonna be a good morning beautiful
This feeling
Like I'm dreaming
It's a dream come true
When I wake up with you

Woah oh!
Woah oh!
Lalalala, lalalala
Lalalala, lalalala
Good morning beautiful
I know it's gonna be a good morning beautiful
When you're waking up with me
It's gonna be a good morning beautiful
Lalalala, lalalala (I know it's gonna, I know it's gonna be)
Good morning beautiful
Lalalala, lalalala (I know it's gonna, I know it's gonna be)
Good morning beautiful
(I know it's gonna, I know it's gonna be)
Good morning beautiful
