

# Freedom

Anthony Hamilton

Elayna:

Felt like the weight of the world was on my shoulders  
Pressure to break or retreat at every turn  
Facing the fear that the truth, I discovered  
No telling how, all this will work out  
But I've come to far to go back now.

Chorus:

I am looking for freedom, looking for freedom  
And to find it cost me everything I have  
Well I am looking for freedom, looking for freedom  
And to find it, may take everything I have

Anthony:

I know all too well it don't come easy  
The chains of the world they seem to move in tight  
I try to walk around it but stumbling's so familiar  
Try to get up but the doubt is so strong  
There's gotta be a wind in my bones

Chorus:

I'm looking for freedom, looking for freedom  
And to find it, cost me everything I have  
Well I'm looking for freedom, I'm looking for freedom  
And to find it, may take everything I have

Elayna:

Oh not giving up has always been hard, so hard  
But if I do the things the easy way I won't get far.  
Mhm, life hasn't been very kind to me lately, (well)  
But I suppose it's a push for moving on (oh yeah)  
In time the sun's gonna shine on me nicely (one day yeah )  
Something tells me good things are coming  
And I ain't gonna not believe

Chorus:

I'm looking for freedom, looking for freedom  
And to find it, cost me everything I have  
Well I'm looking for freedom, I'm looking for freedom  
And to find it, may take everything I have
