# So In Love

## Xscape

oooo (x5)
Verse 1:
Its been so many days
So many hours
Since we went our seperate ways
And im still here missing you
What am i supposed to do?
When theres
So many things
That remind me of
That times that we shared
Just the two of us
I cant understand it..
why does it have to be this way..
Tell me what..
Chorus:
baby..what do i do..
when im..so in love with you
i could never..never ever
love this way again say...
ooooo(5x)
Verse 2:

Lying in the bed..
we used to share..
the only thing missing..
is your not here..
I Reminisce on the love we made
you used to drive me crazy
when you said my name
and when you kissed me there
ohh baby..ohhh wee baby..
tell me what do i say?
what do i do..
when im still in love with you
Chorus (x2)
oooo (x5)

what did i do to deserve this

all i ever wanted was to make you happy

i need to know..where is the love (x2)
