

# Don't Treat Me Bad

## Firehouse

Oh, I never thought you'd hurt me, I guess you live and learn  
That when you're playin' with fire, you're bound to get burned

Oh, I've been mistreated, I've been used before

I get kicked in the face still I come back for more

But I won't cry no more 'cause the tears are all in vain

We can pick up the pieces and start it all again

Let's just get back to the way it was before

Oh, girl I can't take anymore

Baby, don't treat me bad

This could be the best thing that you'll ever have

Baby, don't treat me bad

You can do anything but baby, don't treat me bad

Oh, don't treat me bad

I gave it everything but you threw it all away

I can't take anymore of these games that you play

Oh, I've been through heartache and I've been through pain

And it's hard to believe you still treat me this way

But I won't cry no more 'cause the tears are all in vain

We can pick up the pieces and start it all again

Let's just get back to the way it was before

Oh, girl I can't take anymore

Baby, don't treat me bad

Well, this could be the best thing that you'll ever have

Baby, don't treat me bad

You can do anything but baby, don't treat me bad

Oh, don't treat me bad

'Cause girl, I can't take anymore

Oh yeah

Now listen to me baby, don't treat me bad

Well, this could be the best thing that you'll ever have

Baby, don't treat me bad

You can do anything, but baby

Now listen to me baby, don't treat me bad

Well this could be the best thing that you'll ever have

Baby, don't treat me bad

You can do anything but baby, don't treat me bad

Don't treat me bad

Oh oh, yeah, don't treat me bad

No no, no no, no no  
Don't treat me bad, don't treat me bad
