

What Is This Thing Called Love

[Rebecca Ferguson](#)

What is this thing called love?
This funny thing called love?
Just two can solve all its mystery's?
And why does it keep make an a fool lot of me?
I saw you there one wonderful day
You took my heart and threw it away
That's why I ask the Lawd up in Heaven above
What is this thing called love?
What is this thing called love?
This funny thing called love?
And who can solve all its mystery's?
And why does it make an a fool lot of me?
I saw you there one wonderful day
You took my heart and threw it away
That's why I ask the Lawd up in Heaven above
What is this thing called love?
What is this thing called love?
What is this thing called love?
What is this thing called love?
What is this thing called love?
