

Daybreak

[Lisa Ekdahl](#)

Daybreak
And the moon's still floating high
What a wonderful surprise
I close my eyes
And dream of you I'm dreaming at daybreak
And the world's so far behind
That's why I always find at daybreak
I'm still dreaming of you You're from above
My one and only love
There's no other At daybreak
All I want is you forever
That's why it's true whenever daybreaks
I'm still dreaming of you
