

Bad Vibrations (Spec Ops: The Line OST)

The Black Angels

One, two, three, four Can you tell a wish from a spell?
A hug from a lie?
They both make you feel so gone
We warned you from harm again
You're beating hearts again We made love in June,
I heard it from you
You were my best friend
You used my name Hit hard with harm,
She loves to off you then yawn
Never disarm, you know she loves to be drawn
You're leaching hard friend
I'm feeling down again We made love with few,
I took it from you
You were my worst friend,
I felt that way Braiding her hair,
You can tell her from here
Drink her last tear,
Yeah, you die for your dear
Bad vibes around her,
She's eating hearts again We made love in June,
I heard it from you
You were my best friend
You used my name (Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
(Inside, outside)
