

Sadananda Moyee Kali

Arindam Ganguly

Sadaananda-mayee Kaali Mahaakaaler man-mohini
Ever blissful O Mother Kaali! O Enchantress of mind of Mahaakaal (Shiva)!
Tumi aapnee naacho aapnee GAO maa Apnee daao ma karataali..
You alone dance, sing and clap by yourself.

Sadaananda-mayee Kaali

Aadibhuta sanaatani shunya Ruupaa shashi-bhaali 2x
O Eternal, Self-existing, Nescience-formed yet adorned with moon on (your) forehead!
Brahmaananda chhilo naa jakhan 2x Munda Maalaa kothaay peli
Where could you find garland of heads when there was no created-world around?
Sadaananda-mayee Kaali.....

Shabe maatro Tumi jantri Aamraa Tomaar jantre chali(2)
You alone are player of this instrument (world) and we follow your Will
Jeman raakho temni thaaki maa Jeman balao temni boli 2x
O Mother! We be/remain as you ordain and speak as you make us speak.
Ashanta Kamalaa-kaanta Diye bale maa gaalaagaali(2)
Unsettled/unsatisfied Kamalakanta says with calling you names
(ebar) sarbanaashi dhare oshi 2x Dharmaadharma duto kheli
O All Destroyer! you devoured both dharma and adharma (righteousness and unrighteousness) (this time)

Sadaananda-mayee Kaali
