

# Tocas Miracle (Inpetto Remix)

## Fragma

Miracle  
Miracle  
Miracle If you're gonna save the day  
And you're hearin' what I say  
I feel your touch  
Your kiss, it's not enough And if you believe in me  
Don't think my love's for the real  
I won't take nothin' less than a deeper love Let me tell you, no I  
I need a miracle, I need a miracle  
It's more physical  
What I need to feel from you Let me tell you, no I  
I need a miracle, I need a miracle  
It's more physical  
What I need to get it through Tell me that you understand  
And you'll take me as I am  
You'll always be the one to give me everything Just when I thought no one cared  
You're the answer to my prayers  
You lift my spirit high  
Come on and rescue me Let me tell you, no I  
I need a miracle, I need a miracle  
It's more physical  
What I need to feel from you Let me tell you, no I  
I need a miracle, I need a miracle  
It's more physical  
What I need to get it through I need a miracle, I need a miracle  
I need a miracle, I need a miracle  
I need a miracle, I need a miracle  
I need a miracle Let me tell you, no I  
I need a miracle, I need a miracle  
It's more physical  
What I need to get it through Let me tell you, no I  
I need a miracle, I need a miracle  
It's more physical  
What I need to get it through Miracle  
Miracle  
Miracle
