Police (Vanic Remix)

SomeKindaWonderful

What would you run so far for
And would you get that far
You shot a five on par four
Why they make it so hardDon't you know you'll never control nothing
Even every sprout you spring
Even from the soul I sing
My faith empowered bringsYou better fall on
To your knees and give thanks up to the most high
For receiving these blessings
NO, WE WON'T DIE
We live on, we live on, look at me, yeahAnd all we want is everything
EVERYTHINGIs that the sound of the police, baby
That's the sound of the police, babeYou 'bout the life so hardcore
But you're not that hard
Why you try so hard for
You'll never get that farDon't you know you'll never control nothing
Even every sprout you spring
Even from the soul I sing
My faith empowered bringsYou better fall on
To your knees and give thanks up to the most high
For receiving these blessings
NO, WE DON'T DIE
We live on, we live on, look at me, yeahAnd all we want is everything
EVERYTHINGThat's the sound of the police, babe
That's the sound of the police, babe
