

There's a Place I Know

Bridget St John

There's a place I know if you're fast or slow
And they have no in between
The rain won't wet and the sun won't set
And if you've never been Take a trip with me, we'll slip away and see what can't we see
I think you'll find the people kind and their laughter evergreen Come with me, run with me, we'll go today
And if you wish to, maybe we'll stay There's a place I know if you're fast or slow
And they have no in between
The rain won't wet and the sun won't set
And if you've never been
Take a trip with me, we'll slip away and see what can't we see
I think you'll find the people kind and their laughter evergreen Come with me, run with me, we'll go today
And if you wish to, maybe we'll stay There's a place I know if you're fast or slow
And they have no in between
The rain won't wet and the sun won't set
And if you've never been
Take a trip with me, we'll slip away and see what can't we see
I think you'll find the people kind and their laughter evergreen Come with me, run with me, we'll go today
And if you wish to, maybe we'll stay
