

No Matta What (party All Night Long)

American Juniors

Oh yeah
We gonna have some fun
Tomorrow we have gots to
Tonight we gonna hang out
Have some fun and hit the party goin' wild out
Everybody's all excited and we look tight
And there's just enough money for the night out
Some how I thought we gonna hop from the sisco
Drop down town headed for the disco
Call ahead 'cause we ain't standin' in line
Put our names on the list, now we're ready just to have a good time
It's Friday night
Got visions in our heads
And nothin' on our mind
So let the music play
So let me hear you say
Hey we're gonna have some fun
Oh party all night long
Hey that's all we think about
Oh no matter what's goin' down
No matter what's goin' down
We're comin' to the city how
No matter what's goin' down
We're comin' to the city how
Pull up to the vallet
We're turnin' heads like a hummer on the freeway
We gaze through the crowd eyes on us
People so studderin' sayin' hey who are they?
Bust 'em all like the back packed so tight
The VIP is where we kick it for the whole night
Paparazzi been tryin' to keep us out
But we don't care 'cause we're here with our friends
We're gonna have a good time
It's Friday night
Got visions in our heads
And nothin' on our mind
So let the music play
So let me hear you say

Hey we're gonna have some fun
Oh party all night long
Hey that's all we think about
Oh no matter what's goin' down
No matter what's goin' down
We're comin' to the city how
No matter what's goin' down
We're comin' to the city how
It's Friday night
Got visions in our heads
And nothin' on our mind
So let the music play
So let me hear you say
Hey we're gonna have some fun
Oh party all night long
Hey that's all we think about
Oh no matter what's goin' down
No matter what's goin' down
We're comin' to the city how
No matter what's goin' down
We're comin' to the city how
Hey we're gonna have some fun
Oh party all night long
Hey that's all we think about
Oh no matter what's goin' down
