

# Gone (Sango Remix)

## The Weeknd

I got you  
I got a hold of you  
Said you want to see  
How we roll  
We'll take a seat (take a seat)  
And we'll just  
Break it, drop it, drink it spill it  
Baby, touch your body, body  
You gotta, taste it, feel it, rub it on me baby  
Don't you worry, you gotta keep up  
'Cause I been gone, I been gone, I been gone, I been goneGirl  
Why don't you fuck what you heard, baby  
'Cause I been gone  
You can see for yourself, lady  
Girl, I lit you something  
Something something, for you  
You would love to pass around  
Yeah yeah, yeah yeah, yeah yeahOh well just drink it, drop it, drink it, spill it  
Baby, touch your body, body  
Gotta taste it, feel it, rub it on me baby  
Don't you worry, don't you worry, you gotta keep up  
'Cause I been gone  
I've been gone, I've been gone, I've been gone  
I've been gone, I've been gone  
I've been gone, I've been goneI hope I make it home  
You'll be thinking of it  
I got the whole city on my side, tonight, tonight  
Watch us rock it out  
Watch us leave it girl  
After the show is done  
You can take take me to yoursBut my lungs so muddy  
I love the way it tastes  
Drink it till I'm ugly baby  
Fuck me while I'm faded  
Feel that through my denim  
Baby girl I gotcha  
I'm only twenty-one so I do it when I wanna  
Gone from the codeine, 'methazine, lean  
Got me feelin' kinda weak

And it's kinda hard to breathe  
But you're turning twenty-three, so I'll fuck you if you need  
In your birthday suit  
I'ma give you what you fiend But I ain't taking off my black boots  
I'm fallin'  
'Cause I'm numb from the neck down  
I'm sorry  
You won't know that I can't feel it  
I can win a fuckin' Oscar  
By the way I fuckin' hid it  
And you won't ever fuckin' know  
'Cause I won't ever fuckin' show it  
Except when I be wheezy from that other cup of potion Dirty sprite toastin'  
Fast life fuck slow  
Low life for life  
Let the meds flow  
Let the night flow  
I'm so gone  
Let these meds flow  
I'm so gone  
Let these meds flow  
I'm so gone  
I'm so gone  
Whoa, whoa, oh  
Said I'm gone, gone, gone  
Whoa oh I'm so gone  
Gone
