

Jane Doe

Never Shout Never

Jane Doe

I don't think I know you

But I know fo' sho'

That you are beautiful

So baby let me know

Your name

Damn what's her name?

'Cause I'm overly attracted

And terribly convinced that she could be my princess

And I could be her prince

And I felt that way, since

Since I saw Jane Doe

Jane Doe

I don't even know you,

But I know fo' sho'

That I could get to know ya

If you let me know

Your name

Damn what's her name?

'Cause I'm overly attracted

And terribly convinced that she could be my princess

And I could be her prince

And I felt that way, since

Since I saw Jane Doe

She's everything I want and more

She's everything I want for sure

She's everything that I want to adore

Well baby I am overly attracted

And terribly convinced that you could be my lover

But I think I lost my chance

You had me at first glance

Oh my Jane Doe
