## Common Sense

Whatup BITCH? I'm Peavey Wheatstraw  
And you don't stop with the heidi heidi hoe  
Hi hoe or bye hoe if you're lookin for a sucker  
I'm just another motherfucker  
Pucker your lips do flipslike Mary Lou  
Just because I fucked you doesn't mean that I'ma marry you  
Bury you I will do after I bill you  
Kill you hoe cause your shit smells like mildew  
Pe ew think you need some soap and a rag  
Or better yet Black, Flag, you scallywag  
Tag, I didn't mean to diss dis... hoe butt  
But you need to stay such, do not touch  
Much disrespect goes out to you  
And your parents, too, for havin you  
Haven't you been introduced to a douche  
I guess you said fuck footloose, and got pussyloose  
No juice, you shoulda dried up, like a prune-a  
Mister mechanic this place needs a tune up  
For the pink cadillac cause it's block is off  
And have more use, than a public park  
for recreation, givin up the body is a hobby  
I'm tellin Santa Claus you been naughty (sing it)
