

I Don't Give a Damn

Alvin Lee

I went talkin' to my woman, I had to tell her where its at
I said you quit draggin' me around girl, I ain't that kind of cat
I said, I expect some respect - so what you think of that! She said, I don't give a damn - I am what I am
I don't give a damn - I am what I am
No matter what you say, I'm gonna do it anyway
Because I don't give a damn She said, now you listen to me babe - that's alright for you
You swarming around with that band of yours,
I don't know what you been up to
But you expect me to be sittin' here,
Like a good woman when you get home -
Well you got another thing coming! I said, I don't give a damn - I am what I am
I don't give a damn - I am what I am
No matter what you say, I'm gonna do it anyway
Because I don't give a damn She said, now you wait a minute buster - I'm gonna give you a clue
If you don't get your ass back home tonight,
Then you and me are through
And if you don't take my advice - you know what you can do! I said, I don't give a damn - I am what I am
Well, I don't give a damn - I am what I am
No matter what you say, I'm gonna do it anyway
Because I don't give a damn
I don't give a damn now baby! I don't give a damn - I am what I am
Well, I don't give a damn - I am what I am
No matter what you say, I'm gonna do it anyway
Because I don't give a damn
