Devil's On the Loose

The Rattles

I hear hurricanes a blowing
thundercraft magic spokes in ruin.
Uhu
Devil's on the loose.Hear something better you don't take slow
Close doors and every little window.
Uhu
Devil's on the loose.Uha
uha
Devil's on the loose
Uha
uha
Devil's on the looseI see clouds of mistery pouring
I see rivers over flowing
Uhu
Devil's on the looseMake sure that he cannot get ya
You'll loose your life
oh yes I'll bet ya
Uhu
Devil's on the looseUha
uha
Devil's on the loose
Uha
uha
Devil's on the looseUha
uha...
