

# Life On The Line

## Fad Gadget

Woke up this morning with my life on the line  
Open my eyes and with a deepness I sigh  
I dreamt my baby up and left me behind  
But there she is beside me asleep lookin' fine

Whoah oh.. yeah!

I took a walk out on the streets in the night  
With her in mind it's the finest of times  
I'll give her lovin' till the day that I die  
As long as she knows it and I know she's mine

Whoah oh.. yeah!

Thank God I got you by my side  
I woke up empty now a new feelin' the resides  
Oh I.. oh I  
Thank God I got you by my side  
I woke up empty now a new feelin' the resides  
Oh I.. oh I

Whoah oh.. yeah!

Whoah oh.. yeah!
