

Overload (The Chainsmokers)

Life of Dillon

Know that I've been waiting for so long
You're all that I see
I can't stop the feeling oh no
It's kicking over me Feel the mercury rising
I feel your baseline bumping
Hear it in your rhythm
You got my heart beat pumping Oh I can't stop it
No I can't control it
Can you feel it overloading?
Oh overloading, heh
You can't stop it
No you can't control it
Can you feel it overloading
Oh overloading, heh Know that I've been waiting for so long
You're all that I see
I can't stop the feeling oh no
It's kicking over me Feel the mercury rising
I feel your baseline bumping
Hear it in your rhythm
You got my heart beat pumping Oh I can't stop it
No I can't control it
Can you feel it overloading?
Oh overloading, heh
You can't stop it
No you can't control it
Can you feel it overloading
Oh overloading, heh
