Shake It Up

Divine

Shake it up, shake it up, shake it up
Shake it up, up, up, shake it up, up, up
Shake it, shake it up, up, shake it up
Let's shake it up, shake it upYour lovin' drives me crazy, shake it up
So don't you get lazy, shake it up
I wanna love you all night, shake it up
I wanna love you, love you right, shake it upShake it up, shake it up, shake it up
Shake it up, up, up, shake it up, up, up
Shake it, shake it up, up, shake it up
Let's shake it up, shake it upI wanna give you what I know you need
So let's shake it up
I'm gonna give you that lovin' beat
So let's shake it upYou can have a love explosion, shake it up
That's full of love emotion, shake it up
This is a cosmic attraction, shake it up
Let's cause a nuclear reaction, shake it upShake it up, shake it up, shake it up
Shake it up, up, up, shake it up, up, up
Shake it, shake it up, up, shake it up
Let's shake it up, shake it upI wanna give you what I know you need
So let's shake it up
I'm gonna give you that lovin' beat
So let's shake it upYour lovin' drives me crazy, shake it up
So don't you get lazy, shake it up
We can have a love explosion, shake it up
Put your body in motion, shake it upShake it up, shake it up, shake it up
Shake it up, up, up, shake it up, up, up
Shake it, shake it up, up, shake it up
Let's shake it up, shake it upI wanna give you what I know you need
So let's shake it up
I'm gonna give you that lovin' beat
So let's shake it upI said I wanna give you what I know you need
So let's shake it up
I'm gonna give you that lovin' beat
So let's shake it up
