Temporary

Greg Long

I used to be so quick, so clever
And I used to know myself much better
Cause anyone can see that this is only permanent
Temporary, it never hurts to try
And it's all a game
I know we'll stay the same
But repetition ends in failure
And every time I see it in your eyes
When repetition ends, we'll start over
Now I'm a walking contradiction
So tell me what's wrong with this picture?
Cause anyone can see that this is only permanent
Temporary, so don't hurt me this time

And it's all a game
I know we'll stay the same
But repetition ends in failure
And every time I see it in your eyes
When repetition ends, we'll start over
So give it up, just give up
Give it up, give up
Give it up, just give up
Give it up, give up
And it's all a game
I know we'll stay the same
But repetition ends in failure
And every time I see it in your eyes
When repetition ends, we'll start over
We'll start over
