

# Hey Hey Hey

## Death On Two Wheels

Lately I've been livin'  
Feelin' unforgiven  
Feels like I've been gettin'  
Anythin' and everythin' wrong  
Well, I've always had my trouble  
Lately, it's been double  
Somethin' busts my bubble  
Keeps me barely floatin' along  
But those days are behind me  
You ain't gonna find me  
Sittin' 'round, countin' raindrops

Hey, hey, hey

The sun is shining on my face  
And everythin' will be okay  
It's a fact, yeah, I made it back  
And this time I'm here to stay

Hey, hey, hey

Now the clouds have parted  
Let's get the party started  
Call up the broken hearted  
Tell 'em that I'm back in town  
I'm buyin' the whole place around

Bad days behind me

My baby beside me

I feel my luck starting to change

Hey, hey, hey

The sun is shining on my face  
And everythin' will be okay  
It's a fact, yeah, I made it back  
And this time I'm here to stay

Hey, hey, hey

The sun is shining on my face

Bad days behind me

My baby beside me

I feel my luck starting to change

Hey, hey, hey

Hey, hey, hey

Hey, hey, hey

Hey, hey, hey, yeah

Hey, hey, hey  
The sun is shining on my face  
And everythin' will be okay  
It's a fact, yeah, I made it back  
And this time I'm here to stay

Hey, hey, hey  
The sun is shining on my face  
And everythin' will be okay  
It's a fact, yeah, I made it back  
And this time I'm here to stay

Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey, yeah  
Hey, hey, hey
