

Tear Me Apart

Night Riots

You stop by the house
You look sad and broken too
Wish I could make it right
Wish I could take back, started new
Where do you start in time again?
I'm losing my best friend, tear me apart
I can't go far, I'm barely breathing
Numb aching feelings, tear me apart
Keep thinking of the start
Feels like we were so naive
I hang up the phone
I know you cry yourself to sleep
Where do you start in time again?
I'm losing my best friend, tear me apart
I can't go far, I'm barely breathing
Numb aching feelings, tear me apart
You gather your things
I watch you go just like a dream
And the pieces that you leave
will be like pictures of a different me
Where do you start in time again?
I'm losing my best friend, tear me apart
I can't go far, I'm barely breathing
Numb aching feelings, tear me apart
