

Dark Is the Night for All

[a-ha](#)

It's time we said goodbye
Time now to decide
O' don't you feel so small
Dark is the night for all It's time we moved out West
This time will be the best
And when the evenings fall
Dark is the night for all It's time, yeah, to break free
It's time to pull away
For you and for me It's time, yeah, to break free
We need to celebrate the mystery
