

25 Hours A Day

Myra

25 hours a day, that's what I need
To show the love that's inside me
 Want you so much
I wish that I could hold you near
 53 weeks a year
I look at you and I can't believe
Those beautiful eyes are starin' back at me
I feel your touch and it moves me so much
 'Cause I feel the love inside you
 It took me so long to find you
 Now I only wish
 That I could stay beside you
25 hours a day, that's what I need
To show the love that's inside me
 Want you so much
I wish that I could hold you near
 53 weeks a year
When I'm with you, nothin' exists
Except for your kiss and your tenderness
I never knew, I could love you like I do
But baby, you showed me how to
 I would be lost without you
 'Cause each time you go
 You know I think about you
25 hours a day, that's what I need
To show the love that's inside me
 Want you so much
I wish that I could hold you near
 53 weeks a year
 Would never be enough
 To show what's in my heart
The one who made my life complete
 That's what you are
25 hours a day, that's what I need
To show the love that's inside me
 Want you so much
I wish that I could hold you near
 53 weeks a year
