Bright Pavilions

Superdrag

Bah bah bah dum
To breathe in bright pavilions in that lighter air
Organisms perish by the millions when you're there
Organisms perish by the millions in your hairAnd when you dare me to, I do, I do
Love each of you I do, I doBah bah bah dum
You lay in state beside the one you're thinking of
Lie and wait in altered states inside the story of
The organism cherished by the one you're thinking ofWhen you dare me to, I do, I do
Love each of you I do, I do
I do. I do. love each of you I do, I do
