## **Almost Honest**

## **Megadeth**

I lied just a little when I said I need you
You stretched the truth when you said that you knew
Just can't believe it there's nothing to sayI was almost honest, almostLiving alone, can't stand this place
It's four in the morning and I still see your faceI was nearly pure, when I said I loved you
You were semi-sincere, you said, "I'd bleed for you"

We were kind of candid now you've gone awayYou were almost honest, almostLiving alone, falling from grace

I want to atone but there's just empty space

I can't face tomorrow, now you're not coming back Walked off in the night and just left me the tracksI question your call by the tone of your voice

I know I should hang up but I don't have a choice It happened that night when you told me to go

Don't ask who's to blame? I don't knowLiving alone, falling from grace I want to atone but there's just empty space

I can't face tomorrow, now you're not coming back

Walked off in the night and just left me the tracksAlmost, almost honest

Almost, I was almost honest Almost, almost honest Almost, I was almost honest Almost, almost almost honest Almost, I was almost honest
